Met Office Aberdeen Meteorologist's View
Breezy at times on the munro tops.

Forecast for Wednesday 09 Jun 2021
Weather: Mainly dry overnight but cloudy and some light rain from dawn. Rain will mainly be quite light and patchy but there may be some heavy outbreaks around the middle of the day. Rain clearing east during the evening but some patchy light rain may linger into the evening.

Maximum wind: Southerly 15-20 mph with gusts around 25mph.

Chance of cloud free mountain/hill tops above 800m: 80%, scattered low cloud is expected especially in the west around 600m, perhaps around the Loch Tay munros and Killin Munros.

Visibility: Visbility will be good initially but will become moderate at times as rain spreads across the ranges, falling poor in heavier outbreaks of rain.

Temperature: **Glens:** Plus 9 rising to 18 Celsius.
At 800m: Around plus 9 Celsius.
Freezing level: Above the summits.
